Sherry at War with Mexico

Mexico being quite a warm climate three of Villas followers decided to come north last week and went in search of railroad work on one of our railroads entering this city This they soon found Then they started out in search of the customary blue jacket or jumper such is the regular custom for each Greaser to wear when he resides in our native soil The three visited several of our clothing stores around the corner of 63rd St and Ashland Ave but it seems they were hard to please Finally they entered J L Sherrys store at 1552 W 63rd St where Sherry has his big clothing sale on While he was arguing with the proprietor about the size color shape style and price of said jacket the other two said gentlemen from the land of cactus bushes proceeded to get busy and stuffed the fronts of their shirts and overalls full of Sherry's best high grade pants Mr Sherry being in the alert immediately took Mr Mexico by the throat and made him say what the parrot said to the coyote Then Mr Sherry called in his friend Officer Mike Barker who called a blue taxi and they all spent the day with Capt Ryan who resides at 64th St and Wentworth Ave The three will be a guest of Sheriff Chas Peters who resides on the north side for some time to come

Business Men Should Put Away a Reserve

The business men of West Englewood are without doubt one of the most successful bodies associated in the city of Chicago The man that looks ahead and prepares for the uncertain times that occasionally come in the business life of a business man is a wise man My advice is for the business man to purchase bonds and mortgages from our banks and our reliable real estate firms There is nothing like a feeling of security which will be in the breast of a man that has a reserve especially if the reserve consists of first mortgages notes and bonds There is no reason why our business men should not invest their surplus at home Resolve firmly today that you will lay away a certain amount every so often to insure the confident success of your firm

OIL or SAND!

The vast machines that carry the loads and lift the burdens of man must have oil continually and plentifully. One of the enemies of the machinery world is sand. This finds its way into the inner parts of the machine and not only makes the load pull heavier and the lift harder, but it wrecks the inner part of the machine.

Man has no machine greater than the human machine. Here are loads lifted that no machine could touch. Here are burdens carried too heavy for even steel to bear up under. We may think of ponderous fly wheels going at a dizzy speed through space, carrying tons of weight, but the human heart is the greatest fly wheel of all the world. This machine needs oil continually and plentifully. Sand gets in and must be taken out. It gets in and makes the load heavy, the day long, and the burden so heavy to lift. What is this sand? Tiny grains, just as small as sand grains and they get in just as secretly. Those thoughts of envy, anger, pride, discontent, suspicion, mistrust. No machine struggles with real sand more than does the human machine with these. You have this sand in your own life and throw it in someone else's delicate mechanism. Oil, you know what it is. Kindness, cheerfulness, joy, agreeableness, looking for the best, expecting the best, these are oil. Pour this oil into your sad creaky soul, wash out the sand, OIL UP AND STOP YOUR SQUEAKING.

You see these vast fly wheels carrying tons and you wonder how it is done. They float in oil. There are vast human fly wheels that lift tons of toil and trouble. You wonder how they do it. They float in this oil. Mothers, the hearts of who are the fly wheels of the world, generating power, controlling and distributing power. These fly wheels float in oil and save their immense power. The salt of a baby's tear, the harshness of the cry in pam and the smooth sweet silence of the baby's smile and coo are all mixed in and the machine runs on.

If you are tired and weary take ut all the sand, you have been on the boulevard of life creaking and rattling long enough. OIL UP AND STOP SQUEAKING.

Ask for auto coupons when shopping in West Englewood. My attention is called to a butcher who don't give tickets with every 10c purchase and a drug store, bakery and music store give none at all. We hope they go in line and give the people who trade in West Englewood all the advantages possible and my advice is to give your customers all without asking. You will find it necessary eventually if not now to belong to West Englewood Business Association as all the people know through co-operation of merchants you can give them better values. **DEMAND FREE AUTOMOBILE COUPONS.** Shop in West Englewood and make it a better place to live in. "39 East" at The National

The National Theatre Stock Company are achieving new triumphs every week and it is only right that they should as they are living up to their reputation that of being the best stock company in the United States This week they are playing to capacity business with a production of Cappy Ricks taken from the famous Cappy Ricks' stories in The Saturday Evening Post and played last year for six months at the Cort Theatre in the Loop The play to follow for next week will be the Princess Theatre success 39 East a delightful comedy of human people and a beautiful story of love youth and springtime 39 East is the number of the boarding house where the action of the play takes place and we see all the familiar characters the decayed gentle folk who live in the past the vulgarians who live frankly in the present the boarding mistress with her affected elegance the sharp tongued Scotch spinster the foreign nobleman and others Yet they are never merely types there is about them all the vitality of real life, and as you hear them talk you will chuckle because it is so really and truly true

Miss Emma Martin will play the part originated by Constance Binney and the part could not be in better hands with her skill youthful and charming personality it will surely plant her more firmly in the hearts of her many admirers at the National Theatre Howard Hall of course will be cast in the role created by Henry Hull and will be an excellent companion for Emma Martin Matinee Sundays Thursdays and Saturdays at 2 30 Every night at 8 15 sharp

Englewood Theatre

Captivating lyrics attractive young women, magnificent costumes and elaborate scenic investure characterize the 'Girls from the Follies' big burlesque performance that will come to the Englewood Theatre for one week commencing with usual matinee Sunday

The 'Girls from the Follies" have what the management is pleased to term the speed mania The title of the burlesque 'Here and There' fits the case exactly with this company, for they dash from one hilarious scene to another with the rapidity of a machine gun with a hundred sure-fire hits that keeps an audience laughing and wondering what in the name of goodness is going to happen next

The leading comedian is Fred Binder He is assisted by half a dozen other fun-makers among whom may be mentioned Billy Kelly, Billy Walsh Lew Howard Jim Shea and Theodore Murphy, therefore it will be readily understood that the mirth-provoking parts are in exceptionally capable hands

The Misses Babe DePalmer, Mable White, Lucie Arnold and Paul Gray all have responsible roles, while Mlle Faustina is responsible for a series of dance creations that are said to be both artistic and sensational

There are about twenty ensemble numbers in the show and a corresponding number of gorgeous gowns with which to bedeck the pretty chorus girls, who after all are the high and mighty bright spots in burlesque organizations.

Charity Dance

On Friday evening Oct 29th the young people of St Justine Martyr parish will give a dance at Merry Garden hall room 61st St and Cottage Grove Ave The regular Merry Garden orchestra will play its regular program of up-to-date dance music which will insure a good time to all who attend This is the young folks way of helping to raise their share of the money to pay the principal and interest on the church and school property indebtedness You can have a real good time and help a worthy cause

Thyome Club, the Club That Does Things

More than 150 persons witnessed a double header basket ball game last Monday evening Oct 25th, in the Thoburn M E church gym

The first game was played between the Thyome Heavies and the First Englewood Baptist church The game was called at 7 30 p m and a fast and exciting game followed. The Thyome Heavies outplayed the Baptist team in every respect the final score being Thyome "Heavies," 11 First Englewood Baptist, 6

The Thyome "Lights" also galloped away with a victory, too, they playing the Ogden Pk Swedish Mission at 8 30 p m The teams were a good match for each other, but the Mission team found the team work of the Thyome 'Lights' too steady to break up and were defeated 12 to 11

Every player on both the Thyome Club teams deserves credit for the splendid team work displayed Manager Owen predicts a glorious continuance of victories this year

The Thyome Club represents the Thoburn M. E church, 61th and Paulina Sts., in all its athletic undertakings the members of the club all being members of that church

We Sell Your Property in a Way That Pleases

A real estate firm is fundamentally a commercial house of service. This not only involves the listing and quick sale of property at a fair price, but also the intelligent handling of the legal and other important details of your transaction so that it is properly closed. THIS WE DO, and our patrons leave us with the knowledge that their transaction has been satisfactorily completed, with no worry or inconvenience of unsolved problems to be adjusted later in the event of resale.

We invite you to use our service.

True Facts

Since the announcement of the retiring from business of Mr. Sam Blachman, who was engaged in the shoe business at 6327 Ashland Ave., several different local firms have tried to deceive the public through advertising and stating the business of the said firm would be found at their place of business, etc. Now, the fact is this: We, Messrs Katz & Barron, proprietors of the K. & B Bootery, 6327 Ashland Ave purchased a large amount of Mr. Sam. Blachman's stock, all the fixtures, secured his lease and good will of the business and he retired from the business and is moving to California, where he will make his future home, and we believe we are entitled to the patronage, courtesy and good will of this well known firm and will do all in our power to please you in the future when paying us a visit at the only location known as Sam Blachman's Shoe Store, 6327 Ashland Ave.

YES, our business thrives and our health thrives. There isn't much of a secret about it. I provide the folks with good provisions. The meat that we buy at this shop is our mainstay though. You ought to try it.
